

STUDENT BUS PASS INFORMATION:

All students must register to ride before boarding the bus. Students are required to show their transportation pass or proof of registration each time they board the bus. Applications can be picked up and payments made at the District Office located at the Liberty Ranch school site, 12945 Marengo Rd. Please contact Jacquie Mitchell, 209-745-3061, Ext.#8. The cost for an Annual Pass is \$200 or \$150 for a Semester Pass. A Twenty-ride (one way) Punch Pass is available for \$35. There are no refunds available and there is a \$15 charge to replace a lost or mutilated card. Free transportation is available if your child is a Special Needs student with an IEP that specifies transportation services or if student is in a Foster or Homeless status or if student is eligible for Free/Reduced Lunch Program. A pass will be issued to those students that qualify for free transportation and it must be presented to driver each time they ride.

All AM riders without a pass will be transported to school but will be issued a "Warning Notice". PM riders without a pass will be denied transportation and instructed to go the office to phone home for parent/guardian. ***Any student continually not having their pass/ticket will be denied transportation.***

TRANSPORTATION DISCIPLINE PROCESS:

Any student who breaks the rules and/or regulations of the Transportation Department will receive a "Bus Conduct Report" and may be denied transportation. Please contact the Transportation Department at 209-745-1059 for any questions or concerns.

1st Citation – Warning and notification of parent or guardian

2nd Citation - 3-5 day suspension of transportation privileges and notification of parent or guardian

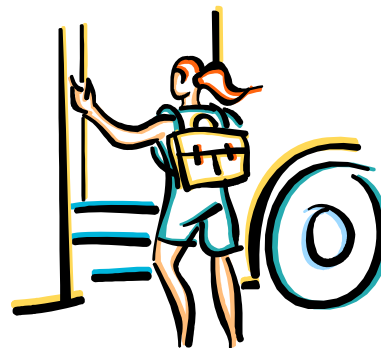

3rd Citation - 10 day suspension of transportation privileges and notification of parent or guardian.

4th Citation - Transportation privileges denied for remainder of the school year and notification of parent or guardian

For cases of severe misconduct, students may be assigned more severe penalties than provided in the normal process.

RIDING THE SCHOOL BUS:

Students are to arrive at the bus stop five (5) minutes before scheduled arrival time as various factors can affect the schedule. They are to be at their designated pick-up location, ready to step onto the bus when it arrives. If a student is planning to get off the bus at a stop other than their own, or is not a rider but going home with a friend, they must have a note, signed by a parent or guardian and handed to the driver as they get on the bus. There is a list of rules and regulations available in the high school student handbook but the easiest rule to follow is to be courteous to your driver and other students at all times and to remain seated whenever the bus is in motion to insure a safe and comfortable ride for everyone aboard.
